Barcode	4014549013748
Brand	Festool
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg
Quantity Per Pack	100

Features

Wet filter for use with the CT MINI or MIDI dust extractors (suits superseded CT MINI & MIDI models - not suitable for new CT MIDI-2 575839). This filter is designed to protect your dust extractor by preventing foam build up from reaching the motor. The open cell foam sponge can be washed and dried quickly after each use.
