300g Can of Metal Cutting Fluid XDP905 by Excision

XDP 905 SPRAY is the ultimate performer in high pressure cutting and tapping applications especially on ferrous and non ferrous metals. XDP 905 Spray is the latest development in Extreme pressure cutting and tapping oils. XDP 905 provides exceptional film strength, adhesion, extreme pressure properties, high speed applications, highest resistance to water and corrosion, and is ideal in deep boring and drilling applications. Works exceptionally well with all ferrous and non ferrous metals. **Benefits:-**

- Increases tool life up to 5 times
- Low viscosity - ideal for deep boring
- Reduces wear and friction
- Increases tool life
- Protects against corrosion
- High residual lubricant
- Easy spray application - ideal for deep cutting

Formulated for:-

- Drilling
- Tapping
- Cutting
- Maximum long term lubrication
