Shipping Weight (Gross)	1.48 kg

The M18 FUEL™ 305mm Dual Bevel Sliding Compound Mitre Saw is designed to meet the demanding needs of professional carpenters and remodelers. Delivering higher capacity for a 305mm sliding mitre saw and the POWERSTATE™ Brushless motor delivering corded cutting performance. The M18FMS305-0 provides users a solution to replace their corded mitre saws. The M18™ REDLITHIUM-ION™ HIGH OUTPUT 12.0Ah battery pack delivers up to 330 cuts per charge making the saw capable of lasting an entire day on site with only one pack. Premium features like an adjustable stainless steel detent plate, cam locking mitre system, easy access bevel adjustment lever and both a detent override lock and chop lock lever located on the front of the tool. The M18 FUEL™ 305mm Dual Bevel Sliding Compound Mitre Saw is designed for easy operation and repeatable, accurate cuts. **Features:**

Large sliding fences gives maximum support to the material being cut, providing stability and accuracy.

Trenching stop with depth adjustment allows the user to make trenching and rebate cuts.

ONE-KEY™ tool tracking and security offers a cloud-based inventory platform that supports both location tracking and theft prevention.

Integrated carry handle allows easy transportation on and off the jobsite.
