We offer a wide range of general purpose hammers with impact-resistant fiberglass handles, all designed with GEARWRENCH's signature strength and innovation. The heads are drop-forged from alloy steel and are fully polished. They are available in ball pein, claw, sledge, and rubber mallet styles for a range of applications. They all feature an ergonomic cushioned grip for your comfort. They are great for both professionals and DIY hobbyists.

### Features:

Drop-forged head made from durable alloy steel resists damage from heavy-duty use

Black finish with fully polished face, cheeks, and pein

Precision hardened striking face resists damage and applies a solid hit

Fiberglass handle absorbs the force of each strike

Ergonomically molded comfort grip handle
