Part Number	K3701
Barcode	9312753992107
Brand	Kincrome
Technical - Main	
Material	Chrome Vanadium Steel (Cr-V)
Dimensions	
Product Length	155 mm
Product Width	49 mm
Product Height	280 mm
Product Weight (Net Weight)	1.09 kg
Packaging + Shipping	
Shipping Weight (Gross)	1.087 kg

The Kincrome Gear Spanner has all the benefits of standard spanners and more. The strong fine gear ratcheting ring end needs as little as 5 ° of sweep to move fastener, a standard fixed ring end needs a minimum of 30 °, or 6 times the area. Kincrome Gear Spanner ratcheting ring end has a Peripheral Drive™ configuration that virtually eliminates the rounding off of fasteners. The narrow and thin head, combined with fine gear tooth design makes the Kincrome Gear Spanner suitable for working in tight and hard to access areas where a ratchet and socket will not fit. Combined with the 'Fine Tooth' technology Kincrome Gear Spanners are the 'state of the art' in spanners, and come with a handy plastic storage case.

Contents:-

- The Flex Head Gear Spanner provides outstanding torque bearing capacity while working in tight, confined areas
 - The Flex Head Gear Spanner can be positioned at a desired angle - within a 180 ° range, allowing the user to reach fasteners on corners or in extremely angular locations
- Sizes: 5/16, 3/8, 7/16, 1/2, 9/16, 5/8, 11/16, 3/4"
