The Pax Razor Saw is made to the same specifications as the Jewellers Saw but with 40tpi, it is again suitable for precision work. As the teeth are so fine, the finish is extremely smooth so is perfect for those delicate areas, which need the best finish. The saw has a brightly polished brass back and a Rosewood handle. Popular with Model Makers! **Features:-**
Rosewood Handle with Brass Ferrule
Mirror Polished Brass Back
Etched with PAX logo
Packed in blister pack with back card
