Enhance your woodworking experience with the Woodworking Interface Pad. Placed between the backing plate and sanding disc, this pad offers multiple benefits. It increases disc flexibility, distributes machine movements and pressures evenly, and provides added comfort during sanding. Achieve precise control and reduce fatigue while enjoying a smoother sanding process. Crafted for durability, the Woodworking Interface Pad 125mm or 150mm is a must-have tool for every woodworking enthusiast. Upgrade your toolkit today and elevate your woodworking projects to new heights.
