82mm Rustic Undulating Spiral Planer Blade 485332 by Festool Replacement blade for Undulating Rustic planer head (485331) for creating a scalloped, or hand-hewn effect in solid wood. Spiral cutter engages the material with a slicing action, similar to that of a skewed angle hand plane, generating less chatter and a smoother cut. Durable, precision ground HSS spiral-cutting blade generates consistent results over a long service life. Self-aligning blade make for quick and easy blade changes - loosen 3 screws, replace the blade, re-tighten screws and you're done.
