18V Cordless 22mm SDS-Plus Rotary Hammer Skin HD18H-0 by Milwaukee

Features

REDLITHIUM-ION™ Battery Technology: Superior pack construction, electronics, and performance deliver more work per charge and more work over pack life

Powerful 18-volt motor: Delivers 0-1,400 RPM, 0-4,800 BPM and more runtime

1.9J of torque: Provides fast drilling and hard hitting

3-Mode operation: Choose rotary hammer, hammer only and rotation only for added versatility

Mechanical clutch: Protects the motor when the bit binds

Variable Position Chisel Stop: Allows steel to be adjusted, regardless of orientation

AVS Anti-Vibration System: Minimises vibration for maximum comfort

Digital Power Management: Prevents damage to the tool in harsh jobsite conditions

Specifications

Voltage 18V

Length 299mm

Weight 2.81kg

Charge Time 1 hour

No Load Speed 0-1,400

BPM 0-4,800

Trigger Lock No

Drilling Mode 3-Mode: Rotary Hammer, Hammer Only, Rotation Only

Handle Style Drop Motor

Tool 5 Years

Warranty

Overview

Long life, maximum runtime, hard hitting and fast drilling in 3-mode operation in one versatile tool when compared with previous models. Industry-leading durability is yours with Milwaukee's exclusive motor design and maximised component size. Powered by an unmatched REDLITHIUM-ION™ Battery (sold separately), the 22mm SDS-Plus Rotary Hammer delivers 0-1,400 RPM, 0-4,800 BPM and more runtime. With 1.9J of impact energy, it also delivers 10% faster drilling and 35% harder hitting when compared with previous models. A mechanical clutch protects the motor when the bit binds, and Milwaukee's Anti-Vibration System protects you while offering greater comfort. Three-mode operation offers maximum versatility and is easily changed with convenient, two-finger controls. The tool includes a side handle and depth rod.
