18v Cordless Right Angle Drill C18RAD-0 by Milwaukee

### Features

**REDLITHIUM-ION™ Battery Technology:** Superior pack construction, electronics, and performance deliver more work per charge and more work over pack life than any battery on the market

**REDLINK™ Intelligence:** Provides optimised performance and overload protection using total system communication between tool, battery and charger

**Innovative Electronic Clutch:** Delivers up to 20Nm of torque with 11 settings plus drill mode for complete control in fastening applications

**9mm Single Sleeve Ratcheting Chuck:** Allows quick and easy bit changes and maximum grip

**Built-in LEDs:** Illuminate work surface and indicate clutch position

### Specifications

**Voltage** 18V

**Speed** 0-1,500 RPM

**Tool Warranty** 5 Years

### Overview

The most compact 18-volt right angle drill driver on the market. With a total profile length of just 95mm, the M18™ Cordless Lithium-Ion Right Angle Drill is a compact, powerful solution for drilling and driving in tight spaces. It features the industry's first electronic clutch, with 12 torque settings and an LED indicator for fastening with complete control. The REDLITHIUM-ION™ Compact Battery Pack or Extended Battery Pack (sold separately) deliver more work per charge and more work over pack life, even in extreme conditions. The onboard fuel gauge helps you monitor the charge precisely, so there's less downtime on the job, and a built-in LED Light illuminates the work surface. An
