

100MM MULTI TOOL WOOD + METAL BLADE ACZ 100 BB 2608661633 BY BOSCH

SKU	Option	Part #	Price
9301758		2608661633	\$54.4

Model	
Type	Multi Tool Blade / Accessory
SKU	9301758
Part Number	2608661633
Barcode	3165140492379
Brand	Bosch
Features	
Standard Inclusions	1 x BIM segment saw blade ACZ 100 BB Wood and Metal
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

100mm Multi Tool Wood + Metal Blade ACZ 100 BB 2608661633 by Bosch

The Starlock ACZ 100 BB blade delivers wide and deep flush cuts in wood, metal and plastic. Broad cuts in door frames and smaller mouldings as well as long cuts on the floor are made possible by the blade's extra-wide 100 mm diameter. These broad cuts are reinforced by Bosch's patented circular welding technology that prevents jamming and reduces burn marks. This exclusive technology welds a wider HSS (high-speed steel) strip onto a thinner HCS (high carbon steel) base body, resulting in teeth that are freestanding and tough. The blade is suitable for use with all Starlock, Starlock Plus and Starlock Max power tools as well as common multi-tools. When cutting non-hardened metals and abrasive materials, the BIM (bi-metal) combination of an HCS blade and HSS teeth resists wear and heat, ensuring a long life for the blade. Furthermore, this pointed segment saw blade enables cutting right into corners. The Starlock Snap-In mounting system allows fast blade removal and exchange within 3 seconds without having to touch the blade. The mounting system produces the highest power transfer thanks to a 3-dimensional tight-fitting connection between machine and accessory.
