Shipping Weight (Gross)	0.34 kg

Estwings moulding puller is made of fine tool steel, drop forged and tempered for extra durability. Chrome finish and comfortable blue cushion grip. Precision thin blade for removing moulding without damaging the wall. Slot in blade for removing small nails and brads. Other end has popular Japanese nail puller with precise and sharp claws for removing imbedded nails or headless nails with ease and minimal damage. Blade end for removing moulding precision claw allows finished nails to be pulled through moulding so the moulding can be reused.

### Specifications:

Type: Puller

Size: 250mm

Style: Moulding
