Shipping Weight (Gross)	1.8 kg

The M18 Cordless Compact Blower delivers the fastest job site cleanup. The M18BBL-0 offers a best in class power to size ratio. The M18 Cordless Compact Blower has power control that includes a 3-speed electronic switch, lock-on and a variable speed trigger which allows for versatile clearing power. This blower moves air at 257kph and 100CFM for class-leading performance. Featuring a shock-absorbing polymer body and a crush resistant nozzle the M18 Cordless Compact Blower delivers job site durability. Included is a 228mm extension nozzle to clear dust and debris easily from the ground or overhead. The M18BBL-0 also comes with a universal inflator/deflator. Works with all MILWAUKEE M18 Batteries.

Features:

3-Speed electronic switch and variable speed trigger allow for versatile clearing power.

Lock-on switch reduces user fatigue.

Extension nozzle clears dust and debris easily from the ground or overhead without having to lean over or stretch.

Universal inflator/deflator for easy set-up and take-down of most inflatable products.

Shock-absorbing polymer and reinforced handle resists drops.

Nozzle made from soft plastic to resist crushing or cracking.

Specifications:

Maximum Air Speed: 0-160 MPH

Max Air Flow: 100 CFM (258 km/h)

RPM: 18,700 RPM

Includes:
