Features:

The ideal combination of compactness, productivity and performance in the 12V class: the brushless GSB 12V-35 Professional cordless combi drill. With up to 26,250 rpm, it delivers the highest impact rate in the 12V category, enabling powerful impact drilling of up to Ø10 mm in masonry. Its compact design allows perfect handling and easy operation – even in challenging working situations. With its high rotation speed of 1,750 rpm, this true all-rounder can be used for a broad variety of jobs.
