The Decorating Elf is one of the most versatile texturing tools available and so simple to use. The tool cuts Wood (side & end grain), Acrylics, Alternative Ivory, Bone and Antler. Use it on concave, flat and convex surfaces. Designed by William Hudson (USA), known to his friends as the 'Turning Elf' Ideal for decorating pens, boxes, bowls, jewellery, Christmas decorations, toys, key rings, pepper & salt mills and so much more. The Ball Cutter has a collar on the shank that ensures less interference with the working piece you are decorating. The Natural Hogs Hair Burnishing Brush cleans and removes fibre and burnishes the surface. The piece is then ready to take a finish of your choice. **Standard Accessories:-**
