Tough all-rounder: spacious, large tool bag for multiple power tools and accessories

Highly robust, large tool bag: durable polyester construction, rigid railed bottom, and industrial zippers

Universal, all-round tool bag for busy tradespeople: you can store and transport multiple power tools and accessories

Very spacious: roomy tool bag measuring 550 mm x 350 mm x 350 mm with multiple pockets for more space and wide opening for easy access

Don't let missing tools become a problem. With the large Bosch Professional tool bag, you're always organised with all your tools in one place and within arm's reach whenever and wherever you need them. This bag is ideal for busy tradespeople. We made it of hard-wearing polyester, so you can rely on this robust tool bag for a long time. It is spacious and has numerous pockets for extras, so it can carry and store many tools and multiple accessories. When you pack your equipment, a wide 180-degree opening makes access easy for you. On the go, you'll appreciate the extra-strong carry handles and comfortable support of the reinforced shoulder strap.

This convenient tool bag is designed to last. It is made of robust 600D polyester, has strong industrial zippers, and a stable base with robust rails. The tool bag has reflector strips for better visibility. Its measurements are 550 mm x 350 mm x 350 mm.
