Dust Extraction Surface Grinding Shroud suit 175mm

7" Grinder 49406105 by Milwaukee

The Milwaukee ® Universal Grinder Dust Shrouds work universally across most pro-brands, while competitors shrouds are proprietary to their own grinders. The Milwaukee ® shrouds feature a durable and lightweight design with a convenient clear window for easy navigation. The purpose of grinder shrouds is to reduce exposure to dangerous debris, crystalline silica, and dust particles that can cause health issues for users who work with stone and concrete. **Features:-**

7" Universal Surface Grinding Dust Shroud

Quick & Easy Installation: Attach, tighten and go

High Density Bristles: Provide maximum dust collection and containment

Clear Front Clip: Allows for clear visibility and control
