Gas Lift Workshop Stool K8108 by Kinchrome Perfect for use in the shed, bar, factory, warehouse and workshops, the Heavy Duty Workshop Stool includes a range of features. Featuring a full 360 ° swivel mechanism, the Gas Lift Workshop Stool features a pneumatic seat height adjustment of 140mm allowing you to work ergonomically at your desired work height! The durable powder coated steel 5 leg base provides superior stability, coupled with the 600kg rated, ANSI certified smooth rolling castors, make rolling around on smooth and uneven workshop floors a breeze. The Gas Lift Workshop Stool is covered with commercial grade vinyl, to survive even the most harsh working environments and a thick fire proof foam padding for extra durability, quality and comfort!
