

3.75KVA UTILITY GENERATOR WHXC3750-PRO BY WESTINGHOUSE

SKU	Option	Part #	Price
9303280		WHXC3750-PRO	\$1339

Model	
Type	Utility Generator
SKU	9303280
Part Number	WHXC3750-PRO
Brand	WestingHouse
Technical - Main	
Power Source	Unleaded Petrol
Battery Voltage (V)	240V
Dimensions	
Product Weight (Net Weight)	52 kg
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

Westinghouse Professional Series generators offer the highest levels of performance, reliability and safety in compliance with Australian WH&S regulations. Featuring an RCD safety switch and weatherproof outlet(s) to protect against electric shock, they are an ideal portable power source to operate your electrical appliances and tools.

Features:- Reliable Performance High output and fuel efficient Westinghouse 208 cc 4-stroke overhead valve petrol engine. **Electrical Safety** RCD safety switch offers you WH&S mandated protection against electric shock. **Quiet Operation** Oversized Pulse-Flo muffler and anti-vibration rubber mounts ensure low noise output. **Long Running** Extended run time from the long range 15 litre fuel tank with integrated gauge and strainer. **Stable Power** Digital AVR controlled sine wave output for precise and stable electricity supply. **Premium Features** Copper wound alternator, full steel roll frame, fold-down handles and Never-Flat wheels.

Clean Air Technology Compliant with Australian and US EPA emissions standards to minimise environmental impact. **Easy To Use** Yellow-coloured touch points guide you to the controls required for normal operation. **Plug and Play** Everything you need is in the box. Just add petrol. Minor assembly required. **Warranty Protection** 2-year domestic use warranty to safeguard your investment (conditions apply).

Specifications:
 3,750 Starting Watts / 3,000 Running Watts
 208 cc Westinghouse 4-Stroke OHV Petrol Engine
 RCD Safety Switch " Australian WH&S Approved
 16.8 Hours Run Time @ 50% Output with 15 Litre Fuel Tank
 Weatherproof 240 Volt AC and 12 Volt DC Outlets
 VFT Meter Displays Voltage, Frequency and Run Time
 Digital Auto Voltage Regulator " Stable Power Output

23 Exhibition Drive, Malaga Western Australia

Monday - Friday 7am-5pm + Sat 8am-4pm
