About this item:

Thinwall Sheetmetal Hole Saw Kit

Thinwall Sheetmetal Hole Saw Kit - 8 Saws

Thinwall Sheetmetal Hole Saws are ideal for the electrical and plumbing tradesman.

Each hole saw has a thin 0.65mm sidewall blade thickness, which allows for faster cutting and longer battery life.

Lightweight blades maximize the use of chargeable impact drivers by using a reduced motor and operation load.

M42 material with special variable pitch tooth design for smoother cuts in sheet metal.

Self ejecting plug removal.

5/32" pilot drill for easy centre locating and quicker cutting penetration.

1/4" quick change shank, ideal for use with battery operated impact drivers.

Safety collar stop helps prevent cutting too deep.

Smooth and fast cutting - especially designed tooth geometry assures increased performance and better wear resistance.

Safety collar stop helps prevent damage to wires when drilling into electrical boxes.
