Dimensions	
Product Weight (Net Weight)	1.1 kg
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The M18™ Cordless Right Angle Impact Wrench offers users maximum access, and ultimate speed & control over their hard to reach fastening applications. Its 43mm head profile fits where pistol-grip impact tools cannot, and its extended paddle switch allows trademen to operate their tool from multiple grip points. This is the only tool in its class to offer multiple speed/torque modes through proprietary 2-Mode Drive Control. REDLINK™ Intelligence provides optimized performance and overload protection using total system communication between tool, battery and charger. The M18™ Cordless Right Angle Impact Wrench features an LED Light to illuminate work surfaces. **Features:**

REDLINK PLUS™ Electronic Intelligence enables advanced communication between your batteries and tools, allowing for unmatched levels of performance, protection, and productivity.

The Milwaukee® REDLITHIUM™ Battery Pack is the most durable pack on the market delivering more run-time, power and longer battery life.

Compact right angle impact driver measures 287mm in length making it ideal for working within confined spaces

Full metal gearbox and gears for superior durability

Multi-handle design for multiple hand positions and maximum comfort

On board fuel gauge and LED light

**Specifications:**

Drive Size: 9.5mm
