| Size                           | 216mm         |
| Technical - Saw                |               |
| Blade (Main) - Bore Size (mm)  | 30mm          |
| Blade (Main) - Diameter (Max.) | 216 mm        |
| Dimensions                     |               |
| Product Length                 | 490 mm        |
| Product Width                  | 550 mm        |
| Product Height                 | 590 mm        |
| Packaging + Shipping           |               |
| Shipping Weight (Gross)        | 1.48 kg       |

### Features:

The classic saw design improved and updated for the modern cordless user

XPS Shadow line cut indicator provides fast accurate alignment of the blade while illuminating the work piece for increased productivity no adjustment required

Improved dust extraction efficiency

The base and fence have been machined to meet the accuracy requirements of the most demanding applications  
Head lock function allows the head to be fixed, restricting the traverse function for trim applications and ease of transportation

Integrated positive mitre stops at 15 °, 22.5 °, 30 °, 45 °, quick release mitre mechanism up to 50 °

Sliding left hand fence with measuring scale for improved material support and management

Compact internal rail design for huge cutting capacity in a highly transportable format

### Includes:

TCT tooth saw blade

Blade spanner

Multi-voltage charger

Material Clamp

2 x 54V XR Flexvolt Li-Ion battery packs with state of charge indicator
