Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The M18 FUEL® Mud Mixer is the industry's first dedicated cordless solution that delivers the performance and durability to fully replace corded mixers. With the POWERSTATE™ Brushless motor it has the power to mix heavy compounds, such as concrete and mortar. Using our REDLINK™ Intelligence the variable speed dial, the variable speed trigger and the lock on button combine to give the user ultimate control for a consistent mix and cleaner working environment. With the M18 REDLITHIUM®-ION battery, the user can mix up to 15 buckets on one 5.0Ah battery. The 180° adjustable handle is designed to allow every user to optimise the handle position for their comfort. This Milwaukee cordless solution increases productivity by eliminating the need for cords and allows the user to mix the material at the jobsite where it is being applied. **Features:**

Power to mix heavy compounds, such as concrete and mortar
Up to 15 buckets per charge

M14 Spindle

Ultimate Speed Control: 3 different ways of controlling speed for clean and consistent mixes (8-speed setting dial, variable speed trigger and a lock on button)

180 degree adjustable handle with 16 adjustable settings for user comfort based on preference and comfort

Variable Speed Dial & Trigger
