Brand	Milwaukee
Size	12V
Packaging + Shipping	
Shipping Weight (Gross)	2.0 kg

The M12 FUEL™ 3/8" Ratchet provides both the torque and compact size to complete demanding fastening applications on the jobsite. With up to 74Nm of max torque and 200 RPM, this tool is the ideal fastening solution for automotive mechanics, maintenance and repair professionals who demand maximum performance and convenient portability. A low profile head and cordless design allows for our users to have more access in tight spaces than competitive units. With the industry leading M12 FUEL™ technology, a reinforced mechanism and investment cast steel yoke housing, this ratchet can withstand daily jobsite wear and tear for years of reliable use. Eliminate the constant maintenance of pneumatic ratchets and the nuisance of the air hose in the shop with the M12 FUEL™ Ratchet, which delivers the maximum portability and productivity for the professional user.

Features:

- Pneumatic ratchet performance with up to 74Nm max torque
- Low profile head design allows users for more access in tight spaces
- Delivers 200rpm for increased productivity
- The industry leading FUEL™ technology, a reinforced mechanism and investment cast steel yoke housing provides greater durability for the professional user
- Variable speed metal trigger provides ultimate control of the tool
- Premium rubber overmold withstands corrosive materials and provides increased comfort when in use
