No matter what or where the adventure, Kincrome has you covered! Whether your camping, hunting, fishing or 4WD'ing, The Kincrome RANGER 12V Air Compressor is a MUST HAVE for the outdoor adventurer. With a powerful 360W motor and an impressive 72 Litres Per Minute of free air delivery, it will inflate your tyres and other inflatables such as sporting equipment with ease.

The unit comes with a handy quick connect 4.6M coiled air hose, equipped with a large PSI gauge for ease of use and a tyre deflator button, making it ideal when 4WDing. It also comes equipped with heavy duty terminal clamps, a replaceable air filter and an In-Line Fuse, which acts as a surge protection, protecting the compressor and user.

A needle adaptor is included to inflate the families sporting equipment, presta-valve adaptor for bicycles tyres and two high adaptors for inflatables such as pool lilos and camping mattresses. All of this is stored conveniently in a heavy duty storage bag, allowing for easy storage in the boot, or back of the Ute. The K13012 is backed by Kincromes 12 Month Warranty and spare parts are available.

Ideal for 4x4, Cars, Caravans, Trailers, Motorbikes, Sporting Equipment & Inflatables.
