Product Weight (Net Weight)	8.8 kg
Packaging + Shipping	
Shipping Weight (Gross)	8.8 kg

No matter what or where the adventure, Kincrome has you covered! Whether your camping, hunting, fishing or 4WDing, The Kincrome RANGER PRO 12V Air Compressor is a **MUST HAVE** for the outdoor adventurer. With a powerful 560W motor and a **MASSIVE 169 Litres Per Minute** of free air delivery, it will inflate your tyres and other inflatables such as sporting equipment **FAST** and with ease.

The unit comes with a sturdy threaded valve connector and 8M coiled air hose, a large PSI gauge for easy indication of pressure and a tyre deflator button, making it ideal when 4WDing. It also comes equipped with heavy duty terminal clamps, a replaceable air filter and a thermal overload protection which will automatically turn the compressor **OFF** until it has cooled down to a safe operating temperature.

A needle adaptor is included to inflate the families sporting equipment, presta-valve adaptor for bicycles tyres and two high adaptors for inflatables such as pool lilos and camping mattresses. All of this is stored conveniently in a heavy duty storage bag, allowing for easy storage in the boot, or back of the Ute.

Ideal for 4x4, Cars, Caravans, Trailers, Motorbikes, Sporting Equipment & Inflatables.

Features:

Super Heavy Duty Air Compressor
60mm Cylinder / Tank
