3Pce Multi Tool Blade Set 2608662343 by Bosch 3-piece

Basic Wood Set for general wood applications

Starlock accessories carefully selected for wood applications
basic set

Starlock Snap-In mounting system for fast blade removal and
exchange within 3 seconds without having to touch the blade

The 3-piece Basic Wood Set provides the essential solutions
for woodcutting. These Starlock accessories have been
carefully selected for general wood applications, including
cutting and plunge cutting. These applications include cutting
door frames to floor length, cutting smaller mouldings,
laminate or parquet, cutting recesses in furniture
components and flush cutting wood, softwood and non-
hardened metal. All Starlock, Starlock Plus and Starlock Max
power tools as well as common multi-tools are compatible
with these accessories. The Starlock Snap-In mounting
system allows fast blade removal and exchange within 3
seconds without having to touch the blade. The mounting
system produces the highest power transfer due to a 3-
dimensional tight-fitting connection between machine and
accessory.
