Designed to meet the needs of landscape maintenance professionals, Our M18 FUEL® Pole Saw Attachment gives you the maximum power to cut hardwood branches. When attached to the M18 FUEL® Outdoor Power Head and powered by M18™ REDLITHIUM®-ION HD9.0 Battery, the system reaches full throttle in under 1 second, and delivers up to 150 cuts per charge. The QUIK-LOK™ Attachments feature protected drive shafts for increased durability against drops and storage elements. The M18 FUEL® Pole Saw Attachment is part of the M18 FUEL® Outdoor Power Equipment Attachment System that provides landscape maintenance professionals the ability to quickly swap out attachments on a single power head, delivering ultimate versatility and a lower cost of ownership.
