DESCRIPTION

The Butane 3-in-1 Soldering Iron is the perfect product to help with all your soldering needs. It features an adjustable temperature knob, igniter switch that doubles as a stand and a continuous locking button. The soldering iron also works as a blow torch and hot blower meaning you can do open flame soldering and heat shrink jobs with ease.

FEATURES

- 3 in 1 gas soldering iron / torch / hot blower
- Piezo ignition delivers a maintenance free start every time
- Blow torch feature for applications such as heat shrink, open flame soldering etc
- Adjustable gas flow
- Switch doubles as a stand
- includes solder and spare tip
