BUTANE HOT GLUE GUN K15370

The Kincrome butane powered hot glue gun removes the need for annoying cables or batteries. Get up to 90mins run time by loading this glue gun up with butane fluid and reach a max nozzle temperature for up to 200°C. This product is ideal for anything from automotive applications to arts & craft and gluing down flooring. Using hot glue rather than other adhesive methods can mean quicker drying time, greater flexibility and a more economical option. **Features:-**

- Lightweight
 - Multi angle use
 - Temperature regulated
 - Compact for detailed work
 - Long runtime
 - Ideal for: Furniture, Hardware, Woodworking, Arts & Craft, Flooring, Automotive & Hobbyists
- Contents:-**
- Butane Hot Glue Gun
 - 2 x Hot glue tubes
