

## 18V ROTARY HAMMER WITH SDS PLUS BARE (TOOL ONLY) GBH 18V-28 DC (0611919040) BY BOSCH

SKU	Option	Part #	Price
934124		GBH18V-28 DC	\$529

Model	
Type	Rotary Hammer
SKU	934124
Part Number	GBH18V-28 DC
Brand	Bosch
Dimensions	
Product Weight (Net Weight)	3 kg
Connectivity	
Bluetooth® Enabled	✓
Packaging + Shipping	
Shipping Weight (Gross)	3.0 kg

With outstanding force: 18V D-handle rotary hammer with KickBack Control

Powerful cordless performance, stronger than corded GBH 2-28; brushless motor delivers 3.4 J of impact energy, power-to-weight ratio of 1.1 J/kg

Compatible to the additional and extremely lightweight dust extractor GDE 28 D with filter cleaning mechanism for dustless drilling

KickBack Control, which minimises hand and arm injuries by instantly shutting down the rotary hammer and Vibration Control for increased user protection

### Product Highlights

The GBH 18V-28 DC Professional is Bosch's powerhouse in the D-handle rotary hammer class: It delivers powerful performance, even stronger than the corded GBH 2-28, with its brushless motor, providing 3.4 J of impact energy and an optimised power-to-weight ratio of 1.1 J/kg. For highly convenient, dustless drilling, the additional and extremely lightweight GDE 28 D Professional dust extractor, that features a filter cleaning mechanism for constant suction power, can be easily attached. Additionally the GBH 18V-28 DC offers Vibration Control and KickBack Control, which senses sudden loss of tool control. In case of e.g. a jammed drill bit, it instantly shuts the rotary hammer down in order to minimise hand and arm injuries.

### Equipment & Application

This rotary hammer is perfect for hammer drilling in concrete, stone and masonry and thanks to its D-handle design ideal for vertical and downward drilling. Additionally the GBH 18V-28 DC is compatible with all Bosch Professional 18V batteries and chargers (Professional 18V System). Also compatible with AMPShare, the multi-brand battery alliance.

#### Additional Information

The GBH 18V-28 DC Professional is connected-ready for integration into the Bosch Toolbox App and features a tool hook for hanging the rotary hammer during interruptions at work.

#### Specifications:

Impact energy (according to EPTA 05/2016)\*: 3.4 J

Battery voltage\*: 18.0 V

Tool holder: SDS plus

Packaging dimensions (width x length x height)\*\*: 243 x 473 x 104 mm

#### Drilling Range:

Drilling dia. in concrete with hammer drill bits: 4 - 28 mm

Opt. app. range in concrete with hammer drill bits: 8 - 16 mm

Total vibration values (Hammer drilling in concrete):

Vibration emission value ah: 10.1 m/s<sup>2</sup>

Uncertainty K: 1.5 m/s<sup>2</sup>

Total vibration values (Drilling in metal):

Vibration emission value ah: 2.5 m/s<sup>2</sup>

Uncertainty K: 1.5 m/s<sup>2</sup>

Total vibration values (Screwdriving)

Vibration emission value ah: 2.5 m/s<sup>2</sup>

Uncertainty K: 1.5 m/s<sup>2</sup>

Total vibration values (Chiselling in concrete)

Vibration emission value ah: 7.2 m/s<sup>2</sup>

Uncertainty K: 1.5 m/s<sup>2</sup>
