Packaging + Shipping	
Shipping Weight (Gross)	1.0 kg

This is our enhanced-power skeleton frame hex rod gun. It is substantial, and great for heavy duty jobs. If you delight in breaking tools, then maybe give this one a try. It will give you a run for your money, and if you do happen to break it, you can certainly take pride in your forearm strength!

### Features

10 oz/310 ml Hex Rod "The Brute"

11:1 Thrust Ratio for extra power with thicker materials.

Recommended for acrylics, silicones, elastomerics and latex
