

COIL SPRING COMPRESSORS K8584 BY KINCROME

SKU	Option	Part #	Price
934232		K8584	\$84.95

Model	
Type	Coil Spring Compressor
SKU	934232
Part Number	K8584
Barcode	9312753101196
Brand	Kincrome
Technical - Main	
Colour Name	Black
Dimensions	
Product Length	370 mm
Product Width	85 mm
Product Height	60 mm
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

Kincrome's high-quality 370mm long drop forged carbon steel spring compressors, are the ultimate tool for efficient and secure coil spring handling. Crafted with precision and durability in mind, this compressor is designed to effortlessly compress coil springs, making suspension maintenance and repairs a breeze. The drop forged carbon steel construction ensures exceptional strength and longevity, providing reliable performance in even the most demanding environments. With a generous length of 370mm, this compressor offers the versatility to handle a wide range of coil spring sizes. Trust in its robust design and expert engineering to safely and effectively compress coil springs, simplifying your automotive tasks and enhancing your productivity.

Features:

- Premium drop forged carbon steel construction ensures exceptional durability and strength
- Rigorous heat treatment enhances hardness and resilience for optimal performance
- Compact and precision-designed for limited space under the wheel arch
- Secure jaws designed to provide a precise and safe fit when gripping coil springs
- Maximum jaw opening of 370mm accommodates a wide range of coil spring sizes
- Comes in a pair
