Brand	Festool
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg
Quantity Per Pack	100

Features

Robust. Durable. Reusable.

The long-life filter bag is robust, durable and suitable for vacuuming dusts of class L. Thanks to the robust polyester sanding cloth material, the long-life filter bag can always be reused. Vacuum, open the sealing slide, empty the filter bag, close the sealing slide and continue vacuuming. This enables work to be carried out efficiently, cleanly and systematically and reduces hazards to health.

Safe disposal of dry, non-hazardous dust

For class L dust

Used only for extraction of dust types which are not hazardous to health

from high strength, 3-layer polyester fleece with a long service life

Not recommended for fine dust

Main applications

Only suitable for dry, non-hazardous dust

Multiple filter bag for disposal of dust
