12V COPPER PIPE CUTTER BARE (TOOL ONLY) C12PC-0 BY MILWAUKEE

SKU	Option	Part #	Price
9400142		C12PC-0	\$249

Model	
Type	Copper Pipe Cutter
SKU	9400142
Part Number	C12PC-0
Barcode	4892210108500
Brand	Milwaukee
Size	12V
Technical - Main	
Motor Speed - No Load	500rpm
Dimensions	
Product Weight (Net Weight)	1.27 kg
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

The industry's first cordless lithium-ion copper tubing cutter cuts up to 10X faster than conventional cutters. Engineered with plumbers, mechanical contractors and builders in mind, this versatile copper pipe cutter runs at 500 RPM. The ultra-efficient gearing allow you to make up to 200 cuts on a single charge. The patent-pending cutting mechanism automatically adjusts diameter to cut copper pipes (OD from 1/2" to 1-1/8"). The unique rotating cutting head cuts installed copper piping with as little as 37mm clearance, and the lightweight, inline design provides a longer reach and reduces wrist strain when you're working in confined spaces. A built-in LED light illuminates the cutting surface. The metal cutting head is corrosion and rust resistant, and sealed for water protection, while electronic overload protection and unibody construction provide additional durability. An onboard, real-time battery fuel gauge helps you monitor the charge precisely, so there's less downtime on the job. **Features:**

The MILWAUKEE ® REDLITHIUM-ION Battery Pack is the most durable pack on the market delivering more run-time, power and longer battery life.

Powerful 500-RPM motor: Cuts up to 10X faster than conventional cutters

Versatile cutting mechanism: Automatically adjusts from 1/2" to 1-1/8" tubing and rotates to cut in confined spaces

Water-resistant sealed head and unibody construction:

Deliver exceptional durability
