The E.T. Roberts & Lee Parkstone saws are a range we acquired through the purchase of the Roberts & Lee Saw Company but are now manufactured alongside our other top quality saws using the same skill and craftsmanship as all our other products. The Roberts & Lee Dorchester Tenon saw has a mirror finished, heavy folded brass back that offers fine balance and tension to the blade. The blade is hand sharpened and has a Danish oiled walnut handle which offers the perfect comfort and grip. The handle is fitted with solid brass screws and caps.
