The 4-Drawer Sortainer is an excellent solution for organization, storage, and transport of fasteners, hardware, and other small project components (screws, washers, nails, nuts and bolts, hinges, knobs and more). Two Small, one Medium, and one Large drawer can be accessed from both sides, and each features its own latch. Individual drawers can also be removed from the Sortainer. Each drawer features a front recess with protective cover, allowing for the insertion of detailed labels. Sortainers seamlessly connect to all Festool Systainers, Sortainers and CT Dust Extractors for secure storage and easy transport. All Sortainers include dividers for their respective drawer sizes. **Specification:-**
