

## 250MM (10") BANDSAW 0.33HP 240V 10-305 BY RIKON

A favourite of woodworkers and hobbyists that do not require large cutting capacity and power for their projects, or have limited shop space for a larger size bandsaw. Includes features for easy operation – tilting 0-45° table, rip fence, large blade tension knob, dust port for shop vacuum hookup, and safety paddle on/off switch. The reduced size is ideal for transporting, or storing, when not in use.

### Features

- Rugged steel frames
- Balanced cast aluminum drive wheels
- Machined cast iron tables with mitre gauge slots
- Easy Access blade tension systems
- Rack and Pinion upper guide adjustments
- Dust collection ports
