Offering woodworkers increased cutting capacity, power, and versatility at an entry-level price. 1HP motor drives the balanced cast-aluminium wheels at your choice of two speeds for standard cutting all types of woods, or for working with non-ferrous materials. A tilting table with two 'T' slots allows the use of a mitre gauge (available separately) or other cutting jigs on both sides of the blade. Includes steel stand. Rip fence with re-saw bar.

Features

- Rugged steel frames
- Balanced cast aluminium drive wheels
- Machined cast iron tables with mitre gauge slots
- Easy Access blade tension systems
- Rack and Pinion upper guide adjustments
- Dust collection ports
