

430MM (17") DRILL PRESS DP430016F-VS BY OLTRE

SKU	Option	Part #	Price
9700087		DP430016F-VS	\$1399

Model	
Type	Drill Press
SKU	9700087
Part Number	DP430016F-VS
Barcode	735745530306
Brand	Oltre
Size	430mm (17")
Configuration	Floor Mount (Pedestal)
Technical - Main	
Power Source	240V 50Hz Single Phase
Motor Power (Input)	1.5HP / 1100W
Base Size	580mm x 420mm
Chuck Type	Keyed
Table Size	356mm x 356mm
Drilling Capacity	16 mm
Chuck Capacity	16 mm
Speed Range	440-2200
Technical - Spindle Moulder	
Chuck Capacity	16 mm
Dimensions	
Product Height	1820 mm
Product Weight (Net Weight)	95 kg
Country of Origin	
Manufactured in	China

Chuck Guard	✓
NVR (No Volt Release) Switch	✓
Workshop (Site) Info	
Electrical Connection	10Amp Lead & Plug
Packaging + Shipping	
Shipping Length	1530 mm
Shipping Width	710 mm
Shipping Height	280 mm

Large drilling capacity that handles the tough work demands of professional and industrial workshops that deal with wide panels and various sizes of furniture components. They have become the standard for shops worldwide and will be greatly utilised and appreciated in your shop, too. As with the smaller range of drill presses, these big boys have similar design features and settings for tackling a variety of straight or angle drilling projects in wood, plastics, and metals. 430mm (17") Variable Speed Floor Drill Press is the best in the 430mm (17") class. Designed with features that woodworkers have demanded - more powerful motor, Variable speed pulley that adjusts the chuck speed with a simple turning of a lever - no belt changing, a digital RPM display, rotating work table with clamp-friendly thin edges, larger spindle travel, and a handy LED light.

Features:

Powerful motors provide plenty of power for drilling
Easy-change pulley drive systems give multiple spindle speed choices
Big capacity keyed chucks give precise drilling with small to large drill bits
Adjustable depth stops are great for repeatable drilling
3-Wing feed handles provide excellent control when drilling
Heavy cast iron bases have slots for attaching jigs or fixtures
Machined, cast iron tables include slots for attaching clamps, vises etc.
Tables tilt and easily move up or down along the column for best positioning
