1/2" BSP Female fitting

Rated to cut reinforced concrete & brick.

These core drills can be fitted to a range of adaptor rods (1/2" BSP adaptor rods) including SDS- Plus, standard HEX & SDS-MAX. so they can be operated on normal power drills - hammer action turned OFF.

This range also fits to diamond core drill machines with the adaptors AUB100 or AUB200 .

1/2" BSP fitting and 12mm long (high) wet diamond segments.

Drills listed as 220 long can core to 190mm in depth, the 250mm core to 250mm in depth and the 400 to 400mm in depth.

User Information:- When cutting without water, frequently remove from the cut to cool and remove debris " do not overheat diamond segments. Wall ties can 'snag' and damage segments " investigate all obstructions and remove. Check for services such as wiring and plumbing in cavities!
