Shipping Weight (Gross)	1.48 kg

BOSCH® IMPACT TOUGH™ Magnetic Insert Bit Holders feature an **XTENDED Torsion Zone** which delivers up to 10X the lifetime of standard Insert Bit Holders. The **XTENDED Torsion Zone** absorbs torque peaks to reduce stress on the holder and the fitted bit. They are designed to handle the additional torque of modern Impact Drivers. These Holders also feature a powerful magnet which hold Insert Bits firmly in place during fastening applications. The **IMPACT TOUGH™** range is manufactured from proprietary heat-treated steel which provide up to 10X lifetime compared to standard screwdriver bits and holders.

Features:-

XTENDED Torsion Zone - Helps to absorb high-torque of the latest generation impact drivers

Powerful Magnet - Ensures bits are held firmly during fastening applications

Specifications:-

Shank: 1/4"-Hex - With Power Groove

Drive Size: 1/4"-Hex - Magnetic

Length: 60 mm
