216mm Slide Compound Mitre Saw Kapex KS 60

561687 by Festool, Manufactured in Germany

The compact and light weight design make it ideal for mobile use.

Great application versatility; cutting boards and panels up to 305 x 60 mm, square timber up to 60mm thick or cutting

skirting boards and cornices to precise angles - quick and

easy. Extremely compact with flush mounted guide rods and

a light weight of 17.80kg. It makes no compromises in terms

of precision and versatility of use. A mitre angle up to 60

degrees on both sides and a bevel angle of up to 46 or 47

degrees on both sides. Main Applications:-

Sawing panels and laminate

Cutting plastic and steel cable ducts to size

Cutting grooves to a defined depth

Trimming aluminium and other non ferrous metal profiles

Trimming skirting boards and cornices up to 120 mm in

height

Cutting strip material to fit

Cutting beams and boards up to 60 mm thick and square

timber up to 88 mm thick

Strengths And Benefits:-

Compact, lightweight design for easy transport and use in

small areas

LED spotlight casts the saw blade shadow on to the

workpiece as an exact cutting line

Quick and easy setup and packup
