Type	Abrasive Disc
SKU	9803267
Part Number	CUB12536
Brand	3M
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

### FEATURES

**Superior Cutting Power:** The Disc Cubitron 3M Fibre features 3M's innovative Cubitron abrasive technology, providing an exceptional cutting power that outperforms traditional abrasives.

**Faster Material Removal:** The advanced design of this disc allows for faster material removal, reducing overall project time and boosting productivity.

**Long-lasting Durability:** Crafted with durability in mind, the 3M Fibre disc is built to withstand tough applications without compromising performance.

**Cool Cutting Action:** Thanks to the precision-shaped grain, the disc generates less heat during operation, reducing the risk of discoloration or damage to the workpiece.

**Product Specifications:**

Size: 125mm x 22mm

Grit: 36

Quantity: Pack of 25 discs

Abrasive Material: Ceramic
