**Overmold Grips**: Durable and comfortable

**Durable Grip**

#### Overview

Milwaukee® Torque Lock™ Locking Tools provide faster tool setup and more locking force for the professional tradesmen.

The patent pending thumb screw provides the user with a more convenient geometry for hand force, while providing clearance to generate more torque with the unique screwdriver through-hole design. Featuring hardened jaws for more gripping power, and forged alloy steel for maximum durability Milwaukee® locking tools are made for the toughest jobsite. Milwaukee® stands behind their product and offers a Limited Lifetime Warranty with all locking tools.
