Shipping Weight (Gross)	29.0 kg

A table with unlimited possibilities

The MFT 3 Conturo Workbench has been designed for mounting the edge bander. It allows the user to swivel the machine 0° - 47° in the bench and position the workpiece horizontally during edging for convenient and safe guidance, even with larger objects. The sliding guides allow for safely guiding the workpiece. The table features a perforated top and foldaway legs.

Specifications:
