Colour Name	Black
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg

Compatible with Festool ETS 150, RO 150, LEX 150 and other 6-inch sanders. P320 grit abrasives for fine-finish applications, pack of 10. Festool's Brilliant 2 abrasive is an exceptionally versatile abrasive, well-suited for a broad range of materials and applications including paint, fillers, and even bare wood, from grit P220 and above. With its closed-coating, Brilliant 2 resists clogging and smearing, and results in significantly longer abrasive life. Use P40 to P60 for rapid removal, stripping stubborn paints and finishes and for rough shaping of epoxies. Use Brilliant 2 for a finer sanded finish on wood and applications. All Festool abrasives are engineered and manufactured to strict FEPA standards, guaranteeing uniform abrasive positioning and consistent sanding results. Festool offers a fully integrated sanding solution for all your applications, from aggressive stock removal to superfine, finish sanding. With a complete line of abrasives in a wide assortment of different types and grits ranging from 24 to 4,000, Festool has the perfect paper to meet your specific application needs. Festool abrasives, with their high tech coatings, provide maximum resistance to clogging and smearing, which means longer lasting abrasives and less rework. Save money by reducing costs and achieve consistent, high-quality results.
