Brand	Festool
Size	80mm x 133mm
Packaging + Shipping	
Shipping Weight (Gross)	1.48 kg
Quantity Per Pack	50

The 80 mm x 133 mm StickFix Granat net sanding sheets are a special abrasive for repairing compounds, fillers and paintwork. Granat net sanding sheets range from P80 up to P400 grit abrasives for repairing modern paint systems, processing hard sublayers and processing plastics, mineral materials, acrylic, repair compounds and fillers. Dust extraction across the entire surface of the abrasive and featuring a high resistance to clogging, thanks to the mesh structure makes them ideal for use with materials that generate a large amount of dust. A high tear resistance and edge stability means no scratches on the surface. Simple positioning of the sanding disc saves time as there is no hole pattern to follow.
